

National Medevac, Inc.
Air Ambulance Service

Onboard Supplies/Equipment/Flight Bag:

Each flight nurse will be responsible for checking that the following equipment and supplies are available for each flight. All flight bags are standardized - do not add or delete supplies/equipment without checking with the Chief Flight Nurse. For second call out, bring full equipment including second suction and Lifepack even if mission is basic life support. Note: we currently have only one scoop stretcher, for simultaneous trips, bring the scoop aboard the King Air.

Flight stretcher [check M tank oxygen!!]

MTP IV pump

Scoop stretcher

Blankets, sheets, pillows, towels

Portable oxygen with regulator [backup up O2 powered in flight bag , brin]

Cellular Phone [Panasonic]

MAST trousers [adult/pediatric]

Pulse Oximeter [in flight bag]

LifePack 5 Monitor Defibrillator

12 Electrodes

4 defibrillator pads

1 cable

1 pediatric paddles

1 spare roll of recording paper

1 EKG calipers

Laerdol Suction:

2 18fr suction catheters

3 14fr suction catheters

2 Yankauer suction catheters

Flight Bag:

Side Compartment #1

2 adult nonrebreather masks

1 child nonrebreather mask

3 adult nasal cannulas

1 child nasal cannula

2 Humidivents

8 Saline for suction

2 Christmas trees [O2 nipple]

2 O rings

1 Oxygen connecting tubing

1 Oxygen tank key

1 Tubing connector

Table 1 Intubation kit contents

Intubation Kit: 1 Bauman C handle 1 Miller 4/2 blade [one each] 1 Macintosh 4/3 blade [one each] 1 Pressure Easy cuff equalizer 1 2.5,3.0,3.5,4.0,4.5,5.0 uncuffed endotracheal tubes 1 5.5,6.0,6.5,7.0,7.5,8.5, cuffed endotracheal tubes 2 8.0 endotracheal tubes 1 Stylette 1 Replacement bulb 1 roll 1/2 inch tape 4 skin prep pads 4 surgilube packets 1 tube of Lidocaine jelly 1 small Kelly clamp 2 12cc syringes 1 #10 scalpel 1 C battery

Side Compartment #2

- 1 bedpan
- 1 urinal
- 1 seprisol foam cleaner
- 2 packages of Kleenex
- 1 emesis basin
- 2 Garbage bags with tie wraps or rubber bands

Front Compartment #1

- 2 sterile burn sheets
- 1 adult BP cuff
- 1 child BP cuff
- 1 electronic BP cuff
- 4 1 inch roller gauze [sterile]
- 2 Space [Mylar] blankets
- 1 bottle of Chemstrips [Dextrosticks] and several lancets in small plastic envelope

Front Compartment #2

- 1 jaw wire cutter
- 1 thermometer
- 2 chest tube clamps
- 1 bandage scissors
- 3 ear plugs
- 1 penlight

Rear Compartment/slit

- 6 plastic garbage bags with tie wraps
- 2 bite sticks
- 6 pair of nonsterile gloves

Main Compartment

- 1 Ac-U-Kwik
- 1 Stethoscope
- 2 IV Pressure Bags
- 2 Lactated Ringers [500cc]

Onboard Supplies/Equipment/Flight Bag

- 2 D5W [250cc]
- 1 Dopamine [250cc premixed]
- 1 Lidocaine [250cc premixed]
- 2 adult [macro drip] IV sets *vented*
- 2 pediatric [minidrip] IV sets *vented*
- 2 extension sets
- 2 MTP pump tubing sets
- 2 Dial-A-Flow
- 2 inline IV Air filters
- 1 short arm board
- 2 Heimlich valves
- 4 Vaseline gauze
- 20 sterile 4x4 gauze
- 12 sterile 2x2 gauze
- 5 5x9 ABD pads
- 2 7 1/2 sterile gloves
- 3 sterile connecting tubing
- 1 roll 1" silk tape
- 1 roll 2" silk tape
- 3 35cc catheter tipped syringe

IV Start Pack Kit:

- 2 14g IV catheters
- 2 16g IV catheters
- 4 18g IV catheters
- 2 20g IV catheters
- 2 22g IV catheters
- 3 injection caps [hep locks]
- 12 2x2 sterile gauze
- 25 alcohol pads
- 4 benzoin swabsticks
- 2 tourniquets
- 1 roll 1" micropore tape
- 4 betadine packets

Bag Mask Kit: [grab strap upward]

- 1 adult ambu bag [folded]
- 1 pediatric ambu bag [folded]
- 1 adult/pediatric masks [each]
- 1 airway kit
- 2 oxygen connecting tubing

Table 2 Medication kit contents

Medication Kit:
3 Epinephrine 1mg bristojet
3 Atropine 1mg bristojet
3 Lidocaine 100mg bristojet
1 Calcium Chloride bristojet
2 Epinephrine 1:1000 1mg ampule
2 Digoxin 0.5mg ampule
3 Narcan 0.4mg ampule
1 Levophed 4mg ampule
2 Isuprel 1mg ampule
2 Phenergan 25mg ampule
2 Compazine 10mg ampule
1 Heparin 1000unit/cc multidose vial
2 Verapamil 5mg vial
2 Lasix 40mg vial
2 Dilantin 250mg vial
1 Regular Insulin vial
1 bottle Nitroglycerine sublingual
2 Procainamide 100mg/cc 10cc vial
1 KCl 40Meq vial
3 Sodium Bicarbonate bristojet
2 Dextrose 50% bristojet
1 bottle Tylenol
1 Neosynephrine spray
3 Nifedipine 10mg capsule
2 Valium 10mg vial
2 Morphine 10mg tubex
2 Demerol 100mg tubex
6 IV medication labels
1 drug compatability chart
1 pediatric dosing chart
20 alcohol prep pads
4 Insulin syringes
6 3cc syringes
2 10cc syringes
2 30cc NaCl for injection
24 19g 1" sterile needles
6 23g 1 1/2" sterile needles

Ventilator Trips:

Puritan Bennet or LP6 Vent

Ear oximeter [spare - per RT]

Oxygen analyzer

Respiratory therapists kit [setup per RT]

Spare battery

110volt cable for inverter.
